

CLIMB FOR CLIMATE: THE COMPLETE TREK GUIDE

TRAIL-1 (EASY)

ZONE 1 TO ZONE 11

(2.45 KMS, APPROX. 1 HR 30 MINS)

- People choosing easy trail option, will start from zone 1 and descend from zone 11 to finish the trek. It is a climb with gradual slope and is suitable even for the first time climbers.
- As you ascend the hill, you'll pass through the plantation areas and wildlife pond on the way.
- This trail gives you a beautiful view of the abundant reforestation and magical lush green grasses as you move towards the crest.
- You'll be able to see wild plants that are native to the area and growing along with the endangered species e.g. *Gloriosa superba*.
- As the trail ends, you can either return to the hotel or can opt to reach waterfall (last point of the trek) in a vehicle.

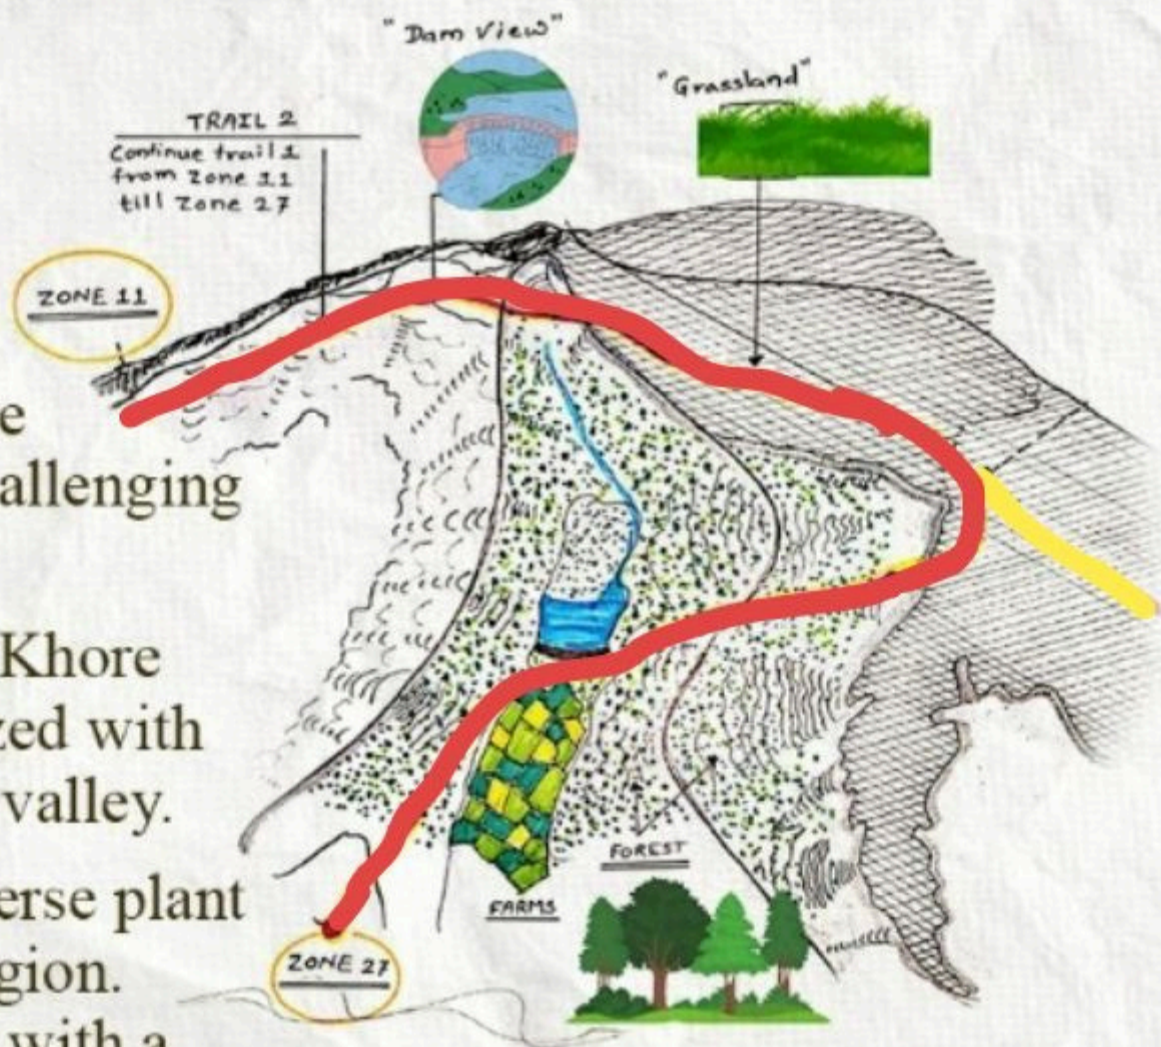

TRAIL-2 (ADVENTUROUS)

ZONE 1 TO ZONE 27

(4 KMS, APPROX. 2 HR 45 MINS)

- People choosing adventurous trail option, will continue to move ahead from zone 11 to zone 27.
- This route passes through dense grasslands and will have bit challenging descend through forest.
- On this trail, near the Rakshas Khore catchment area, you'll be amazed with the prettiest view of damn and valley.
- Here, you'll come across a diverse plant variety that are native to the region. Not just that, you'll be greeted with a diversity of butterflies, moths, frogs, and a flowers.
- If you're lucky, you'll be able to witness the pugmarks of leopards that frequent the place at night. Our villagers have sighted 3 leopards till date.
- As the trail ends, you can either return to the hotel or can opt to reach waterfall (last point of the trek) in a vehicle.

TRAIL-3 (MODERATE)

ZONE 1 TO ZONE 41

(4.6 KMS, APPROX. 3 HR 30 MINS)

- People choosing moderate trail option, will move ahead from zone 11 and passing through zone 36, will descend at zone 41. This trail is a pleasant nature walk without many hardships.
- On your way, you'll be greeted by dragonflies and lichens — clear signs of a pristine environment.
- As you reach the Dariya Mata Mandir, couple of clear water streams will brighten your day.
- As you continue your journey, you'll come across some stunning waterfalls, with a few accessible for you to explore.
- From this point, you will head back to hotel through a vehicle.
